Gentlemen:

We have been advised that your NW Farmington #1-28, located SW 28-30-13, must be produced by midnight October 5, 1963 in order to avoid renegotiation of communitization agreement.

The New Mexico Oil Conservation Commission in Aztec has not received a Deviation Survey nor C-110, Certificate of Authorization to Transport Natural Gas. Therefore, we are not authorized to produce this well.

Please advise.

Very truly yours,

EL PASO NATURAL GAS COMPANY
