Re: New Mexico Lease B-10889
Turner-State No. 2

Herewith, on your form C-105, are five copies of the
"Well Record" of this well.

While actual drilling operations were completed in
July - the well was not tested until August 29th - hence we are just
now able to prepare the "completion" report.

Please return the "approved" copy to the attention
of the writer - Box 728 - Farmington, New Mexico - to be placed in
Mr. Turner's files.

Very truly yours,

A handwritten signature in dark ink, appearing to read "C. Beeson Neal". The signature is fluid and cursive, with a long horizontal stroke at the end.
