520 Simms Building
Albuquerque, New Mexico

Att: Mr. W. R. Johnston

Dear Sir:

Tentative approval is hereby granted for the dual completion of your #1-4 Blanco 30-12 in the NE $\frac{1}{4}$ Section 4-30N-12W.

It is understood this well is to be completed in the Piutered Cliffs and Mesaverde formations and equipped as indicated in your application.

After completion administrative approval should be obtained from Mr. A. L. Porter.

Yours very truly

Emery C. Arnold
Supervisor, District #3
