*Dear Mr. Kendrick:*

*Please re-calculate the annual deliverability test for the  
Blanco 31-8 #5-26 well in Unit G, Section 26-31N-8W, using  
SIPC for Pc.*

*We believe the results from such calculation will be more in  
line with the well's ability to produce.*

*Yours very truly*

Please re-estimate the annual delinquency rate for the  
1960-1961 period. The annual delinquency rate for the  
1960-1961 period is 10.0%.

It appears the results from your calculation will be more in  
line with the results from the 1960-1961 period.

Yours very truly,

ALICE, N. WOL
