13. Describe Proposed or Completed Operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

On February 2, 1999, Amoco production Company request permission to recomplete subject well into the Mesaverde and commingle production downhole with the existing Dakota completion. Approval was granted on February 17, 1999. This is to advise that the recompletion attempt is no longer in our immediate plans and the subject well will remain a single Dakota producer.
