

CERTIFIED MAIL P 498 210 582

12 JUL 1984

Northwest Pipeline Corporation
P. O. Box 90
Farmington, New Mexico 87499

Gentlemen:

Enclosed are your Applications for Permit to Drill (APD's) for the following wells:

- 1) 50 San Juan 32-8 Unit, NW $\frac{1}{4}$ NW $\frac{1}{4}$ section 28, T. 32 N., R. 8 W., San Juan County, New Mexico, lease Santa Fe-079341-A.
- 2) 82 San Juan 32-7 Unit, NE $\frac{1}{4}$ NE $\frac{1}{4}$ section 18, T. 31 N., R. 7 W., San Juan County, New Mexico, lease Santa Fe-078998. As discussed with Mike Turnbauth of your company on June 29, 1984, the subject APD is rescinded and returned due to drilling not being commenced within one year of the approval date.

You are required to request surface rehabilitation instructions from this Office if construction activities occurred on the referenced drill site. If this office does not receive comment within 15 days, it will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, will result in an assessment.

Sincerely yours,

(SGD.) MATHEW N. MILLENBACH

Area Manager
