**DETAILS OF WORK**

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

**We request permission to temporarily abandon this well. No equipment is to be removed from the well and no plugs set. As soon as practical a study will be made and the well will either be permanently plugged and abandoned or workover and stimulation efforts will be started.**

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.
