U. S. Geological Survey
P. O. Box 965
Farmington, New Mexico

Attention: Mr. Jerry W. Long

Gentlemen:

Enclosed are the Sundry Notices and plats for the drilling of our Navajo #9 well in Section 30, T-31-N, R-16-W, San Juan County, New Mexico.

We recently applied for a permit to drill the #9 well in the SW/4 SW/4, Section 29, T-31-N, R-16-W, San Juan County, New Mexico. Please let this letter act as our notice to cancel the location in Section 29, as we wish to drill the #9 well in the NW/4 NE/4 of Section 30.

Thank you.

Yours very truly,

THE ATLANTIC REFINING COMPANY

A. D. Kloxin
