Dear Mr. Arnold:

Enclosed please find five copies each of Certificate of Compliance and Authorization to Transport Oil and Natural Gas on Southern Union Gas Company's McCord No. 2 well and also the Federal Nye No. 1 well, a dual completion. Both of these wells are located in San Juan County, New Mexico.

These Certificate of Compliance and Authorization reports have been corrected to show the Authorized Transporter of Oil or Condensate from El Paso Natural Gas Products Company to Luna-Eaves or Barlow Trucking Company.

If we can be of any further assistance to you please let us know.

Yours very truly,

SOUTHERN UNION GAS COMPANY
