San Juan County, New Mexico  
File: DNM-3-H

Dear Emery:

Allocation on the subject well, Blanco Mesaverde Field, was omitted in the May, 1964 proration schedule. This apparently has resulted in a cumulative error in that beginning net allowable for the June proration schedule should have been for the May period.

I would appreciate your review of the above and your taking any corrective measures necessary.

Yours very truly,

CHARLES M. HEARD  
District Superintendent
