Dear Mr. Arnold:

Your note of May 6, 1957, regarding delinquent forms on our Ute Mountain Tribe "A" #6 well, Sec. 22, 31N-15W, in San Juan County has been received.

In checking our files, we note that Form 9-330 on the above well was mailed from this office as of April 26, along with a number of other USGS 9-330 forms on other wells in that area. These completed forms were mailed to the USGS Office in Farmington, but as of this date we have not received any approvals.

If you have not received confirmation of the approval on the Ute Mountain Tribe "A" #6 well by this time, will you please check with USGS in Farmington and/or let us know whether they are in receipt of these forms.

Yours very truly,

TENNESSEE GAS TRANSMISSION COMPANY
