Dear Sir:

Corrected allowables have been issued by supplement for subject acreage for June and July, 1959.

We cannot assign an allowable retroactive beyond the first day of the month of issue. That is, we cannot assign an allowable for a prior month.

We are very sorry we overlooked the correct acreage.

We appreciate your advising us of this error. We desire to have our allowables correct at all times.

Yours very truly,

A. R. Kendrick
