1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a message of condolence to the people of the State of California, who have been afflicted by a severe drought and famine. The President expresses his sympathy for the suffering people and offers them the aid of the Federal Government. He also mentions the recent discovery of gold in California, which he hopes will bring relief to the people.
