ATTENTION: Mr. Emery C. Arnold

Dear Mr. Arnold:

Thank you for your letter of November 20, 1963.

Copies of the Notices of Intention to Drill for the captioned wells were sent to the Commissioner of Public Lands in Santa Fe at the same time copies were mailed to your office. We also forwarded to the Santa Fe office copies of the Well Location and Acreage Dedication Plats and Designations of Operator. However, as requested in your letter, we enclose herewith one additional copy of the Notices of Intention to Drill for the two wells in question.

We plan to use 200 sacks of cement on the production casing.

Yours very truly,

WALTER DUNCAN
