Dear Mr. Case:

Consolidated Oil & Gas, Inc. is the owner of record for the subject well.

Mr. Moore of your company advised me by telephone that the well is not owned by Consolidated Oil & Gas, Inc..

Your responsibility as "owner of record" is to prove zone separation as required by Rule 112-A and MC-1103, the order authorizing the multiple completion.

In the event zone separation cannot be proved, we shall agree on a program for the well to be properly plugged and abandoned.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick
