Dear Emery:

Reference is made to your letter of August 15 pertaining to the Stanolind Ridenour Gas Unit No. 1 located in the NE/4 of Section 13, 31 North, 11 West.

I did not deem it advisable or necessary for Stanolind to apply for a non-standard unit inasmuch as they own the only outstanding 40 acre tract in the E/2 of that Section and the 280 acre assignment is strictly a temporary one pending communitization.

Very truly yours,

W. B. Macey
