Attn: Mr. G. S. Young, Jr.

Dear Sir:

Reference is made to your letter of November 10, 1959 inquiring about an oil allowable for your Ute Mountain #3 in 16-31N-14W.

Oil supplements for the months of October and November were issued on this well October 26, 1959. I believe that the operator's copies were mailed to your Farmington office.

If in the future you wish operator's copies of oil supplements mailed to Hobbs, will you please notify us.

Yours very truly
