Dear Sir:

Enclosed is an approved copy of the Notice of Intention to Drill on your #1 Boyd well in the Southwest $\frac{1}{4}$ Section 8-31N-10W.

You have not indicated on the Notice of Intention to Drill whether or not Mr. J.D. Boyd owns the full 320 acres in the West half of Section 8. If he does not, will you please send us a plat or list showing who the other land owners are and approximately what acreage they own in the unit. Also if there is any Federal acreage included describe it along with the Federal Lease Number.

Yours very truly,

Emery C. Arnold
