FEDERAL ENERGY COMMISSION

IN THE MATTER OF APPLICANTS
CONSOLIDATED NAT. GAS, INC.
FOR A CERTIFICATE OF PUBLIC
CONVENIENCE AND NECESSITY
Pursuant to Section 7 of the
NATIONAL GAS ACT
)

DOCKET NO. 1-

CERTIFICATE FOR CERTIFICATE OF
PUBLIC CONVENIENCE AND NECESSITY

Consolidated Nat. Gas, Inc. (hereinafter referred to as "Applicant"),
having made application to the Commission, pursuant to Section 7 of the
National Gas Act, as amended, and Section 107.24(b) of the Commission's
Rules and Regulations, for a Certificate of Public Convenience and
Necessity, authorizing the sale of natural gas here fully heretofore
described.

In support of its said application, Applicant respectfully states
and shows the following:

1.

The exact name of Applicant is Consolidated Nat. Gas, Inc. Applicant
is a corporation incorporated under the laws of Colorado, authorized,
among other things, to do business in New Mexico and Colorado.

2.

No gas at any time prior to Applicant's acquisition of its interest
thereto, has been sold or delivered in interstate commerce from the well
to which this application relates. Accordingly, no information is
submitted hereto in response to Item (2) of Section 107.24 of the

Corporation's rules and regulations.

3.

Correspondence or communications in regard to this application
are to be addressed to:

Mr. Harry A. Trueblood, Jr., President
Consolidated Oil & Gas, Inc.
United States National Bank Building
Denver, Colorado

4.

This application relates to the proposed sale at the wellhead
to Southern Union Gathering Company (hereinafter referred to as "Southern
Union") of natural gas produced by Applicant's interest from the
Government-Wells #7 well, located in the southwest quarter (SW) of
Section 7, Township 31 North, Range 14 West, in Juan County,
New Mexico, in the Mancos Hespererdale Field. Pertinent information
relative to such well is as follows:

Well Name	Drilling Date	Working Interest Ownership
Consolidated Oil & Gas, Inc. (formerly Colorado Western Exploration, Inc.) Government-Wells #7 Well	e.g. Dec. 7, 1931-2, 6-12-2	Consolidated Oil & Gas, Inc. 48.48715%

5.

Applicant proposes to sell its share of the gas produced from the above
well to Southern Union pursuant to the terms of a contract entered into
between Colorado Western Exploration, Inc. (to which Applicant is successor
in interest) as seller, and Southern Union, as buyer, dated January 1, 1932.
Applicant is advised that Southern Union will make a resale at the wellhead
of such gas to M. L. Poco Natural Gas Company. The reasons for this arrangement
are fully set out in application of Southern Union for a certificate of

Public Convenience and Necessity covering the sale of such gas to El Paso Natural Gas Company on file with the Commission under Docket No. C-15026. Applicant is advised that El Paso Natural Gas Company will transport such gas in interstate commerce for ultimate use and consumption in the states of Arizona, Colorado and California.

Set forth below is the specific information called for in Item (c) of Section 1.17.2(a) of the Commission's Rules and Regulations.

(i) All of the gas, authority for the sale of which is sought in this application, is proposed to be produced from one well located in the Blanco Resources field in San Juan County, New Mexico, and the sale and delivery of such gas is proposed to be made at the wellhead. None of such gas will be purchased by Applicant from any other person.

(ii) None of the gas, authority for the sale of which is sought in this application, is proposed to be transported by Applicant through pipelines prior to Applicant's sale and delivery thereof to Southern Union.

(iii) Applicant proposes to serve no customer, at wholesale or retail with any of the gas, the sale of which is the subject matter of this application.

(iv) None of the gas, the sale of which is the subject matter of this application, is proposed to be sold by Applicant to any natural gas customer.

(v) Applicant proposes to own or operate no compressor stations, gasoline plants, dehydration plants, purification plants, gas storage projects, or other similar major properties or facilities for processing or storing any of the gas to which this application relates prior to the delivery and sale of such gas by Applicant as indicated above.

(incorporated herein by reference to copies of such Certificate which have been heretofore forwarded to the Commission as a part of Applicant's "Initial rate schedule" covering Applicant's Consolidated Oil & Gas, Inc., Xipley No. 7 Well).

WHEREFORE, applicant respectfully requests the Commission to issue to it a certificate of Public Convenience and Necessity authorizing the sale of gas by Applicant to Southern Union hereinabove described, as contemplated by and in accordance with the provisions of Applicant's aforesaid gas sale contract with Southern Union.

Applicant further requests that the Interlocutive decision procedure be omitted and waive oral hearing and opportunity for filing exceptions to the decision of the Commission and requests that this application be disposed of pursuant to the provisions of section 1.32(b) of the Commission's Rules and Regulations providing for shortened procedure.

卷之三十一

在這裏，我們要指出的是：在這種情況下，我們不能說，這就是「社會主義的」。因為，社會主義的特點是：社會主義的生產關係，即公有制，是社會主義的經濟基礎。而這裏的生產關係，是私有制，是資本主義的經濟基礎。所以，這不是社會主義的。

在這裏，我們可以說，這就是一個社會主義的社會。在這裡，我們沒有社會主義者，只有社會主義；沒有社會主義者黨，只有社會主義黨；沒有社會主義者政府，只有社會主義政府；沒有社會主義者國家，只有社會主義國家；沒有社會主義者社會，只有社會主義社會。

Except as expressly stated in the paragraph immediately preceding, above, in this application contained shall be construed as indicating an intention on the part of applicant to waive or relinquish any constitutional or other right, or the privilege of invoking same at any time, and all such rights and privileges are fully reserved.

Respectfully submitted the _____ day of _____, 1958.
