Dear Mr. Vilven:

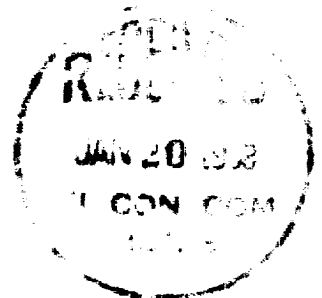

The Well Location and Acreage Dedication Plat (NMOCC Form C-128) on the subject well was in error in that dedicated acreage was listed as 305 acres, whereas actual contributable acreage to the well from the Government Land Office Survey is 315.83 acres.

In order to correct this error it would be appreciated if you would complete the plat indicating location of the well, and sign this corrected form. Please mail three copies of this corrected form to the New Mexico Oil Conservation Commission, 120 East Chaco Street, Aztec, New Mexico, Attention Mr. Emery C. Arnold, and return two copies to this office.

Yours very truly,

CHARLES M. HEARD
