Dear Mr. Arnold:

During a recent transfer of all of our records from one office to another, the latest deliverability test on the McEwen #1 well was misplaced.

Inasmuch as this test was filed with your office, we would very much appreciate your forwarding a copy of it to us. We are most anxious to obtain a copy of this deliverability test as it is needed for the completion of our rework file.

Thank you for your cooperation.

Very truly yours,

BEAVER LODGE OIL CORPORATION
