Name E. J. Tolbert  
Position Petroleum Engineer  
Representing El Paso Natural Gas Co.  
Address Box 997, Farmington, N.M.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the specific requirements for record-keeping, including the need to maintain separate accounts for each transaction and to ensure that all records are properly indexed and filed.

3. The third part of the document discusses the importance of regular audits and reviews of the records. It states that audits are necessary to ensure that the records are accurate and complete, and to identify any potential areas of concern.

4. The fourth part of the document discusses the importance of training and education for all personnel involved in the record-keeping process. It states that personnel must be properly trained and educated to ensure that they are able to maintain accurate records and to detect and prevent fraud.

5. The fifth part of the document discusses the importance of maintaining the confidentiality of the records. It states that all records must be kept secure and that access to the records must be restricted to authorized personnel only.

6. The sixth part of the document discusses the importance of maintaining the integrity of the records. It states that all records must be kept in their original form and that any changes or alterations must be properly documented and approved.

7. The seventh part of the document discusses the importance of maintaining the accuracy of the records. It states that all records must be kept up-to-date and that any errors or omissions must be corrected as soon as they are discovered.
