Dear Johnny:

As per our conversation in our office on November 28, 1995, the above-mentioned well by SWD Order #252, requires an annual temperature or tracer log. You are therefore directed to run the required log before January 4, 1996, and to notify Johnny Robinson or Ernest Cardona of the Aztec Oil Conservation Office within 48 or 24 hours of running the log so it may be witnessed.

Please feel free to call us at 334-6178 if you have any questions.

Sincerely,

Ernest Cardona  
Deputy O&G Inspector
