Abandonment or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If proposed to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Provide the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days of completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once the work is completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined the site is ready for final inspection.)

Rig delay due to lifting ram on rig being down for over a month and rig will not be operational for a minimum of another 2 weeks. Will put back on production or plug by November 2002.
