Re: Application for Administrative Approval
of a 322.96-acre Non-Standard Basin-Dakota
Gas Proration Unit

Gentlemen:

We have your application dated August 20, 1964, wherein you request administrative approval of a 322.96-acre non-standard Basin-Dakota gas proration unit comprising the N/2 of Section 3, Township 31 North, Range 12 West, NMPM, San Juan County, New Mexico.

As the acreage contained in this unit is within the acreage tolerance for a standard unit established by Rule 5(A) of the General Rules and Regulations for Northwest New Mexico, it will not be necessary for you to obtain administrative approval for the proration unit. For proration purposes, the unit will be considered to contain 320 acres under the provisions of Order No. R-1670, as amended.

Please contact me if you have any questions concerning this matter.

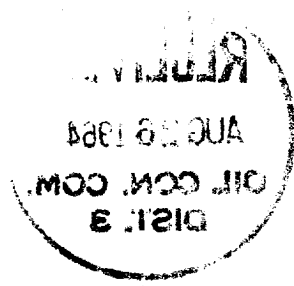

Very truly yours,

J. M. DURRETT, Jr.

Re: Application for Administrative Approval
of a 322.95-acre Non-Standard Basin-Block
Gas Production Unit

Gentlemen:

We have your application dated August 20, 1984, wherein
you request administrative approval of a 322.95-acre Non-
Standard Basin-Block gas production unit containing 120 acres
of Section 3, Township 13 North, Range 12 East, NMD, 10N,
Juan County, New Mexico.

As the acreage contained in this unit is within the 120-
acre tolerance for a standard unit established in Rule 1 of the
General Rules and Regulations for Nonstandard Gas Units, it
will not be necessary for you to obtain administrative approval
for the production unit. For production purposes, the unit will
be considered to contain 120 acres under the provisions of
Order No. 8-1610, as amended.

Please contact me if you have any questions concerning
this matter.

Very truly yours,
