Re: Ute Mountain Tribe Lease

Dear Mr. Dutton:

Returned herewith are forms C-102 for wells Ute 14 #1 and Ute 18 #1 on the subject leases.

The well numbering system in New Mexico requires that all wells on the same lease have the same name and be numbered in a logical, distinctive sequence.

We are computerized and do not allow dashes or letters in well numbers except in very specific occasions.

Each lease must remain distinctly separate from others.

Forms 9-331 and 9-330 are accepted in lieu of our forms C-101, C-103 and C-105.

Please change your records to reflect the numbers as shown above.

If there are questions please contact us.

Yours very truly,

A. R. Kendrick
Engineer; District #3
