Re: Application for Permit to Drill
Cox Canyon Unit #4A
SE/4 Sec. 21, T32N, R11W
San Juan County, New Mexico

Gentlemen:

Information regarding existing roads, pipelines, flowlines, etc., relative to the above well location are included on the enclosed attachments.

Water for drilling and completion operations will be obtained from a water hole located in the SE/4 NW/4 Sec. 29, T32N, R10W.

Waste disposal will be in the burn pit, toilet, or reserve pit. There will be no camp or airstrip associated with drilling this well. Upon completion or abandonment of this well the location will be cleaned, leveled, and a dry hole marker placed, if applicable.

Sincerely,

D.H. Maroncelli

D.H. Maroncelli
