13. Describe Proposed or Completed Operations (Clearly state all pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Well is still waiting for a transformer to be installed to return to producing status.

It was anticipated that this well would be returned to producing status by Sept. 1, 2000.

However, the new transformer has not arrived, request an extension until November 30, 2000, to return this well production.

14. I hereby certify that the foregoing is true and correct
