Payne 2A, D-21-32N-10W, 30-045-23910

Dear Dolores:

The 1997 Packer Leakage Test on the referenced wells indicate there is communication between the producible zones. In order to comply with Rule #112A, you are hereby directed to initiate remedial activity and retest the well to show separation of the zones prior to June 23, 1999. Please notify the Aztec OCD in time to witness the retest.

Sincerely,

Johnny Robinson
Deputy
