Dear Mr. Berhost:

A connection notice showing the permanent First Delivery Date of 2-1-77 was recieved 4-25-77. Your Deliverability Test of 3-7-77 will suffice for the 1977 Test Season. You will however, be expected to test the well each year for the First Three years and then get it on schedule with the wells in its pool.

If you have any questions feel free to contact this office.
