Gentlemen:

I have examined the application dated January 10, 1977
for the Koch Exploration Co. Gardner #2 & #3 G & M 31-32N-8W
Operator Lease and Well No. Unit, S-T-R

and my recommendations are as follows:

NWU-341 arranged the acreage of the west half (W/2) of each of sections 6, 7,
18, 19, 30 & 31 of township 32N, range 8 W for the Blanco Mesaverde Pool.

The west half of section 31 was assigned as one drill tract of 221.10 acres.

The proposed tracts do not change outside acreage. Therefore, I recommend that
both tracts be approved. N/2 = 271.25 acres, S/2 = 269.85 acres.

Yours very truly,

Carl Kendrick
