On April 11, 2001, Amoco Production Company submitted a request for permission to ~~convert the subject well from a dual completion to a single completion and~~ commingle production downhole from the Blanco Mesaverde & Blanco Pictured Cliffs Pools as per the attached procedure. The allocation was to be a fixed percentage based on historical production, however, an error was made in the volumes used to calculated those percentages. Please find attached the corrected production volumes and allocation percentages.
