Dear Larry:

The acreage dedicated to the subject well (SW/4, S/2 NW/4, NE/4 NW/4 of Section 24 and SE/4 SE/4 of Section 23) causes any well in the Northwest quarter of Section 24 to be in violation of Rule 2 (B) of the Blanco Mesaverde Pool Rules.

An administrative non-standard location order should be obtained from our Santa Fe office prior to producing the well.

If there are questions, please call.

Yours very truly,

A. R. Kendrick
Supervisor, District #3
