Dear Mr. Yester,

Your applications to drill the above wells have been amended in this office as shown in the attachments. Please alter your records to reflect these changes. Also attached is a memorandum explaining the well numbering system for infill drilling.

The U.S.G.S. office in Farmington, New Mexico has been notified of our changes and we will require no reports on the changes.

If there are any questions, please contact this office.

Sincerely,

Frank T. Chavez  
Deputy Inspector, District #3
