Dear Mr. Ramey:

This is a request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde pool.

It is intended to locate the El Paso Natural Gas Company's Randlemon #1A at 2200' from the North line and 1140' from the West line of Section 26, T-31-N, R-11-W, San Juan County, New Mexico.

The Animas River and irrigated fields cover most of the northwest corner of this section and this makes it impossible to build an orthodox gas well location.

All operators of proration units offsetting the proposed unorthodox location have been notified of this application by certified mail.

Plats showing the proposed well location and the terrain of Section 26, along with an ownership plat, are attached.

Yours truly,

L. A. Aimes
