INSTRUCTIONS

General: This form is designed for submitting proposals to perform certain well operations and reports of such operations when conducting an inventory of Federal and Indian lands pursuant to applicable Federal law and regulations, and, if approved or approved by the Secretary of the Interior, to conduct an inventory of State law and regulations. Any necessary special instructions concerning the use of this form may be found in the reports to be submitted, and may be found in the Federal or local, area, or regional procedures and practices, either are shown below or may be issued by, or may be obtained from, the local Federal area/or State office.

Item 4: If there are no applicable State requirements, locations on Federal or Indian lands shown in accordance with Federal Regulations. Consult with State or Federal office for specific instructions.

Item 17: Proposals to abandon a well and subsequent reports of abandonment should include reasons for the abandonment; data on any further or proposed operations; and, if approved or approved by the Secretary of the Interior, to conduct an inventory of State law and regulations. Any necessary special instructions concerning the use of this form may be found in the reports to be submitted, and may be found in the Federal or local, area, or regional procedures and practices, either are shown below or may be issued by, or may be obtained from, the local Federal area/or State office.
