Re: Johnston Federal 15 - Sec. 35-31N-9W Johnston Federal 16 - Sec. 33-31N-9W San Juan County, New Mexico

Dear Mr. LeMay:

The two wells listed above are currently completed in the Blanco Pictured Cliffs Field. We are planning recompletions to the Fruitland Coal formation but spacing rules place the existing well bores in unorthodox locations.

We request approval for exception to unorthordox location for both wells.

Attached for your information are two C-102's reflecting the location of each well.

Please contact me at 713/ 968-4004 at your earliest convenience concerning this request.

Best regards,

Ken White
