Robert L. Taylor
P.O. Box 100
Farmington, NM 87400

Gentlemen:

Enclosed is your Application for Permit to Drill (APD) well No. 1-F Striding, 40/100/4 sec. 31, T. 21 N., R. 13 E., San Juan County, New Mexico, lease 11-C53822. As discussed with Mr. Purser of your Company on April 24, 1986, the subject APD is rescinded and returned due to drilling not being commenced prior to the lease expiration.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 15 days, we will presume that no construction occurred. Later discovery that construction activities have in fact occurred, will result in an assessment.

Sincerely,

John S. McKee
