Mr. Richard Stamets  
New Mexico Oil Conservation Division  
Post Office Box 2088

Dear Mr. Stamets:

This is a request for administrative approval for an unorthodox gas well location in the Blanco Pictured Cliffs - Blanco Mesa Verde Pool.

It is intended to locate the El Paso Natural Gas Company's Wilmuth #1A at 480' from the South line and 900' from the East line of Section 26, T-31-N, R-11-W, San Juan County, New Mexico.

The well was staked at this location at the request of the private land owner in order to minimize highway frontage usage along Highway #550. This location will not disturb any surface improvements planned by the land owner in the future.. (See attached lease map)

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 26, along with an ownership plat, are attached.

Sincerely yours,

  
G. W. Brink  
Project Drilling Engineer
