Dear Mr. Weller:

It appears that the proposed surface location of the Grassy Canyon Well No. 3 is not correct as it appears in Division Administrative Order DD-54, dated December 14, 1990. Therefore, said surface location shall be changed to read "815 feet from the North line and 2430 feet from the East line".

All other provisions of said Order DD-54 shall remain in full force and effect until further notice.

Sincerely,
