Proposed: Due to cultural, environmental and topographical concerns, CNG was required to do an Environmental Assessment on NMMN # 83503 oil and gas lease. This EA caused a delay in the release of our APD's. Therefore: CNG respectfully requests an extension of one month from 12/1/90 to 12/31/90 during the closure of lease for Big Game Winter Habitat. We also request the same extension for roads and rights of way.
