Re: Delinquent Initial Deliverability Tests

Gentlemen:

Our records indicate that the initial deliverability tests for the below listed wells are delinquent. Order R-333-F-2 subjects the wells to loss of one day's allowable for each day the test is late. Non-prorated wells will be ordered shut in one day for each day the test is late.

Horton #4A	0-27-32N-12W	First Delivered 12-7-78	Test Due 3-7-79
