Due to lack of rig availability, we have been unable to spud this approved well. Aztec Well Service, who had agreed to drill the well, has cancelled out. We now have an agreement with Brinkerhoff-Signal, but cannot get the rig until April 1, 1981. No other rigs have been located that can schedule us any sooner. We therefore respectfully request an extension of our drilling permit which expires October 26, 1980.
