Dr. Sherman A. Wengerd
Geologist, representing Spanish Bit Oil Company
University Station
Albuquerque, New Mexico

Dear Dr. Wengerd:

This is in answer to your letter and request of July 4, 1950, regarding an unorthodox location of the Spanish Bit Oil Company #2 Santa Fe well, located in section 35-17N-8W, McKinley County, New Mexico.

Your request for an unorthodox location, 330 ft. west of the east line of section 35 appears reasonable and meets the requirements of Section F, Rule 104 of the Rules and Regulations of the Oil Conservation Commission.

Therefore, your request for this unorthodox location is hereby granted and the enclosed Form C-101 is approved by this office and will constitute your permission to drill this location.

Very truly yours,

STATE OF NEW MEXICO
OIL CONSERVATION COMMISSION

R. R. SPURRIER
SECRETARY-DIRECTOR

OIL CONSERVATION COMMISSION
UNITED STATES DEPARTMENT OF THE INTERIOR

WHEREAS, the Commission has been organized to conserve the oil resources of the United States, and to promote the efficient use of the same; and

WHEREAS, the Commission has been authorized to investigate and report upon the oil resources of the United States, and to recommend such measures as may be necessary to conserve the same; and

WHEREAS, the Commission has been authorized to make such studies and investigations as may be necessary to determine the oil resources of the United States, and to recommend such measures as may be necessary to conserve the same;

IN WITNESS WHEREOF, the Commission has hereunto set its hand and seal at Washington, D. C., this 1st day of January, 1910.

Very truly yours,
Chairman
