Mr Emery C. Arnold
Oil and Gas Inspector
District #3
Aztec, New Mexico

Dear Mr Arnold:

When I called you about deepening our #10 well at Red Mountain I believe you told me to send in Form C-102. I have every kind of form that and I will fill them out as soon as you send them to me.

We have drilled on to 525' and I think we have oil again. I sent out another string of casing to-day so we can run it and test what we have. If there is enough oil to pay for the pumping we will stop there. We had planned to drill to the ~~###~~ 940' sand.

Thanking you I am

Yours very truly

Marjorie M. Grier
