Dear Mr. Miller:

Returned herewith is the Application for Permit to Drill for the No. 9 San Ysidro well, located 404'FSL/2380'FWL, sec. 20, T. 15 N., R. 1 E., Sandoval County, New Mexico, on Federal Gas Storage Permit No. 14-08-0001-12395. This well was drilled as a Geophysical Test, therefore would not be under the jurisdiction of this office.

You are requested to submit a new Application for Permit to Drill for the No. 9 San Ysidro well located 2180'FSL/1980'FWL sec. 20, T. 15 N., R. 1 E., Sandoval County, New Mexico, on Federal Gas Storage Permit No. 14-08-0001-12395. This location was inspected August 8, 1979, for environmental impact and is proposed to be drilled into the gas storage zone, which is under the jurisdiction of this office. Therefore, a new Application for Permit to Drill package is required.

Sincerely yours,

(Orig. Sgd.) C. A. BARRICK
