Att: Mr. W. B. Macey

Dear Mr. Macey:

We have just received the docket and notice of advertisement of the cases to come up before the Commission and I notice that the case regarding plugging on the above captioned well has not been included. You will remember I discussed this with you when I was in Santa Fe at the last hearing.

The purpose of this letter is to remind you that I would like to have this case advertised as I have had no success whatsoever in negotiating with the interested parties.

Yours very truly,

Emery C. Arnold
