AUG 2 1984

Gentlemen:

Reference is made to your Applications for Permit to Drill (APDs) for the following wells:

1. No. 101 San Juan 32-9 Unit, SW/4SE/4 sec. 6, T. 31 N., R. 9 W., San Juan County, New Mexico, lease SF-078509.
2. No. 102 San Juan 32-9 Unit, SW/4NW/4 sec. 8, T. 31 N., R. 9 W., San Juan County, New Mexico, lease SF-078438.
3. No. 105 San Juan 32-9 Unit, SW/4NE/4 sec. 1E, T. 31 N., R. 9 W., San Juan County, New Mexico, lease SF-078436.
4. No. 106 San Juan 32-9 Unit, NW/4SW/4 sec. 23, T. 32 N., R. 10 W., San Juan County, New Mexico, lease SF-078504.

As discussed with Gary Brink of your Company on August 1, 1984, the subject APDs are rescinded and returned due to drilling operations not being commenced within a six month extension period following the original approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill sites. If this office does not receive comment within 15 days, it will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, will result in an assessment.

Sincerely yours,

Bill Bingham
