DETAILS OF WORK

(State names of and expected depths to objective sands show size, weight, and lengths of proposed casings; indicate mudlogging jobs, cementing points, and all other important proposed work)

Please be advised that we desire to cancel the intention to drill this well. In the event we plan to drill at some future date a new intention to drill will be filed.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced
