Mr. Johnson:

We have achieved cleanup per OCD guidelines at the above listed site. We have hauled approximately 1100 cu. yds. of oily soil to Saunders Landfarm. We would like to backfill excavated area with clean soil, contour and seed. When this has been completed, a final report will be filed.

Find attached photos of site and analytical. If you have any questions, please call.

Sincerely,

Eddie W. Seay, Agent

Mr. Johnson:

I submitted my closure report a couple of weeks ago, we discussed it but I never got approval to backfill. I have my contractor ready to begin as soon as you give me the OK.

I would appreciate your help.

Thanks,
